THUNDERBOLT

Dedication

"We, the People of the United States . . ."
thus our Constitution begins.
For over 200 years men and women
have fought and died for the ideals
and freedoms set forth in the
Constitution. Even today Americans
are protecting the freedoms of the
other peoples of the world.
We, the students of Haysi High School,
proudly dedicate this year's annual
to all the loyal men and women
who have served our country in times
of peace and times of war.

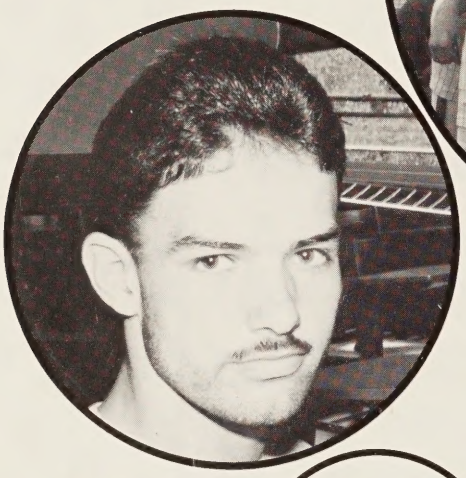
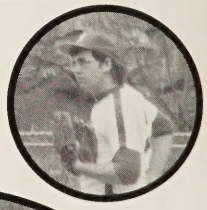
THE UNFORGETTABLE . . .

It's been fun & exciting — Thanks Wendy E.

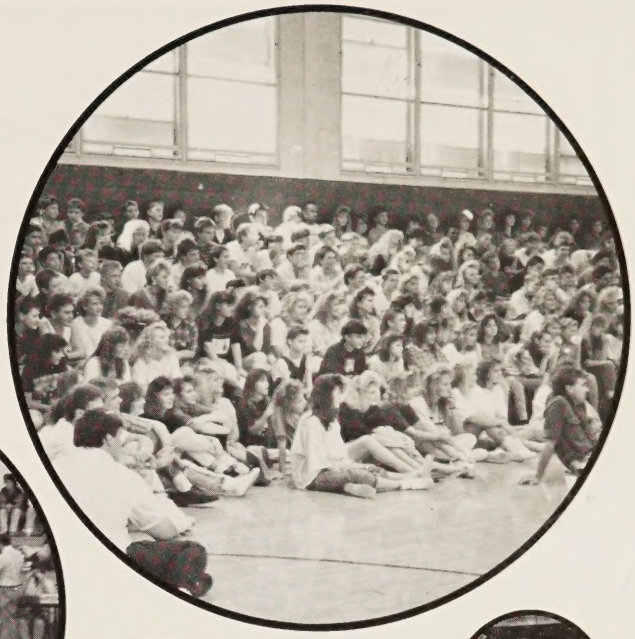
Ket'ch ya later — Class of '91 Kevin O.



Well its been a blast, too bad it couldn't last. Brian B.



It started with a crash, but ended with a bash. Jay F.



See y'all in
10 years!

The 1990-91 THUNDERBOLT has been achieved through the extraordinary effort and hard work of fifteen caring and ambitious individuals. We have strived to create a unique and personal yearbook for the students of Haysi High School. THE UNFORGETTABLE is intended to allow every student here at H.H.S. to reflect on the past school year with fond memories. Creating THE UNFORGETTABLE was a bit trying at times, but this class was an experience none of us will ever forget.

We, the Journalism staff, and I, as the Editor, hope our objective has been achieved. That objective was to allow everyone to pick up a copy of the THUNDERBOLT and see themselves and their friends and reflect on the good times of yesterday and hope and dream for the great times of tomorrow.

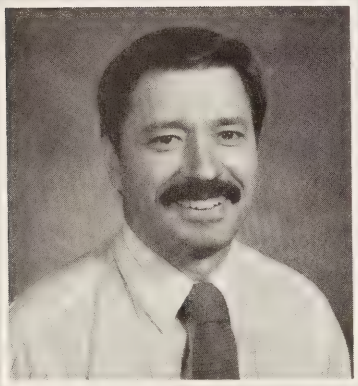
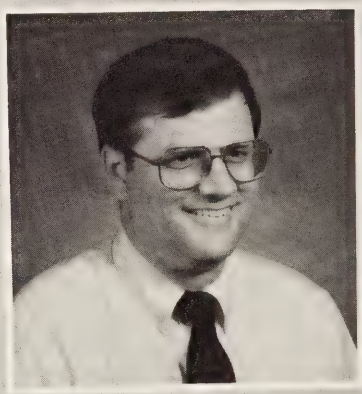
TEACHERS

Administration

Seniors of 1991
I congratulate you on reaching this milestone in your life. You are graduating at the beginning of one of the most challenging decades in the history of this country. The decision you make will determine how successful your life will be and may have far reaching implications beyond your own personal life. Best wishes for a successful life and may God bless and keep you.

David C. Yates, Principal





Congratulations Seniors!
I hope this achievement will be only one of many that you accomplish in your life. I feel that your experiences and the knowledge you gained at Haysi High will hold you in good standings in society and will forever afford you the skills to be successful in whatever road you take in life. Keep a smile on your face and good thoughts in your mind.

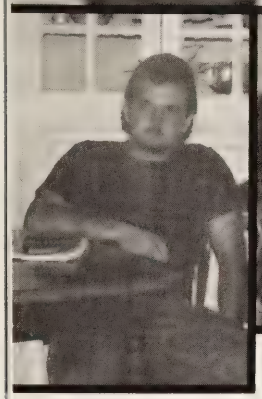
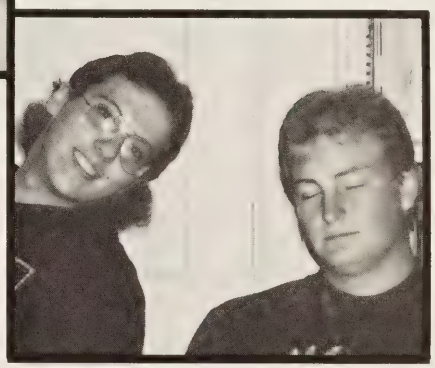
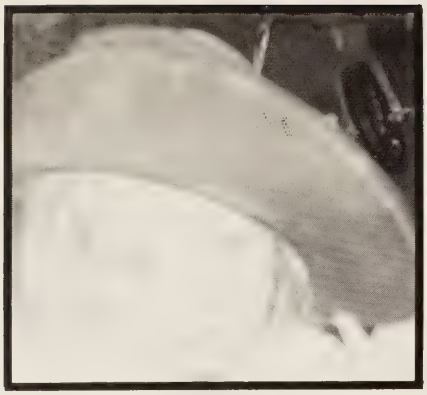
SENIOR SPONSORS

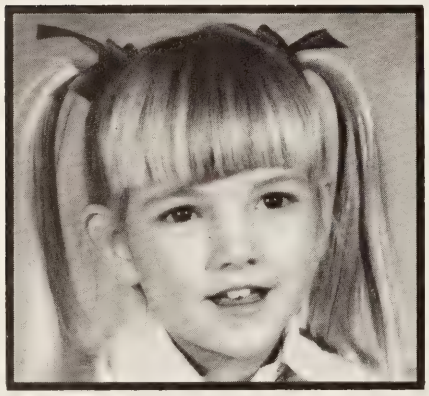
The Senior Class sponsors have contributed so much to the achievements of the Class of "91". We owe them a great deal of appreciation for all that they have done to make our Senior year a worth while experience. To Robin Charles, Diana Lester, Debra Colley, and Denechia Edwards we express our deepest thanks for all of your efforts. Thank You.

Senior Snaps









To be chosen as Mr. or Miss Senior is a very high honor. Donnie Merritt and Lisa Rasnick were chosen from all members of the Senior class. Every teacher and faculty member cast his votes for the male student and the female student who he thought exceled in academics, showed leadership qualities, had an outgoing personality and involved themselves in activities here at Haysi High School. For those reasons and many more, Donnie Merritt and Lisa Rasnick were named Mr. and Miss Senior.

Lisa participates in a variety of events: She is a football and basketball cheerleader, She is a member of the SADD, Pep, and Key clubs. Lisa was recently nominated to *Who's Who Among American High School Students.* Her athletic persuits include track and tennis. Lisa is also the Yearbook Business Manager and Editor of the newspaper.

Donnie is a trumpet player in the Haysi Marching Tiger Band. He is busy with his many school activities. He is Vice President of the Senior Class, Vice President of the Science Club, and President of the Beta Club. Donnie was also nominated for *Who's Who Among American High School Students.* He is a member of the Journalism staff and has contributed to the Yearbook and newspaper.

Poetry

Starting anew as eighth-graders
A hatchling from the egg;
Born in a world full of strangers
Mercy, please! We did beg.

Now we carry a whole new name
One stage of life complete;
Gaining the feathers of wisdom
In life we now compete.

Anticipation now came 'round
Balancing on the edge;
Wondering if to fly or stay
Standing now on the ledge.

Being pushed and shoved from all sides
Our time is soon to come;
The nest is growing very small
This step will soon be done.

We spread our wings to fly away
Looking back at the past;
No more depending on others
We find freedom at last.

"What are your expectations for the rest of the 90-91 school year?"

"To make good grades, have fun, make new friends, and play ball." — Robby D.

"To have as much fun as I can, and to enjoy the days to come to the fullest extent." — Kenny M.

"To make this year a year to remember. To share good and bad times with the friends I have come to love. In a few short years all of this will be over and we will all go our separate ways." — Crystal M.

SURVEY

"To get into major, big trouble!!" — Donnie O.

"To get through the year and high school by having as much fun as I can." — Kevin O.

"Do you feel that clubs help to shape your personality? Why or why not?"

"Yes, clubs are a lot of help." — 9th grade

"Yes, I think S.A.D.D. helps people not to drink and drive. F.C.A. teaches you to be a christian, and PEP puts spirit in the world." — Carey E.

"No, I don't like clubs." — 8th grade

"Yes, especially those that allow brotherhood and don't allow segregation of any kind." — Scott C.

"Yes, because everything in life has an impact on you in one way or another, whether it is good or bad." — Cindy O.

"What influence does sports have on your future?"

"Sports help shape the kind of person I am, and if I can I would like to go on and play ball through high school and college — if possible —. I would like to go on to play pro-ball. I will try very hard to achieve this." — Chris R.

"I hope to make it to the NBA." — Duffy

"Sports have a great influence on my life and the kind of person I am." — Eric B.

"Has a member of the H.H.S. faculty made a favorable impression on you? Who and How?

"Yes, David Sutherland. I have learned a lot from him." — Jarod T.

"Yes, Mr. Sicos. He is a well dude and he doesn't make us do much work, and Mr. Boyd because he gave me an A." — Aaron M.

"Yes, Mr. Smith. He taught me a lot about biology and really got me interested in science." — Rebecca Y.

"Yes, Mrs. Owens. She is a very good teacher and also a friend. She taught me, as well as others, to always do your best." — Melina R.

"Yes, D. Colley, because she is so persistent and John R. Whitner since he is weird enough to be one of us! (almost)." — Donna M.

"What influence does academics have on your future?"

"By taking typing I am preparing myself for computer programming as my future." — Brian O.

"Academics influence the rest of a person's life. If you goof-off at school and make bad grades, you will never accomplish anything or ever become anyone in life." — Jeff Mc.

"Academics help you prepare for life away from home. They tell us what is there and what could be there. With academics, the possibilities for your future are endless." — D.M.

"After you graduate from high school you can get a better job with better pay. If you are going to college you can get a better scholarship." — Aretta F.

"Academics are my whole career." — Jennifer M.

"Well, sports teach you a lot of lessons, good lessons. Like what is important in your life. You have to keep your grades up, so it makes you work harder and maybe if you're good enough you can get a scholarship from a really good college." — Jan S.

"I don't think sports will play a major role in my life in the years to come, but I would like to thank and wish the best to all the athletes who made my SENIOR year *UNFORGETTABLE.*" — Lisa R.

"It (sports) teaches me to be cooperative and get along with others. It also teaches me to wash my socks before a game." — Brett P.

"Do you feel that there are adequate recreational facilities for the youth in your community? How can this be improved?"

"No, there should be a teen center and a community dance."

"No, there should be a community center or a teen club that is run by teens." — Ginger D.

"No, build more places for us to go, there isn't anything around here." — Michelle F.

"No, put in a teen center or a teen bar." — Alicia V.

"No, get a play ground for the kids at Sandlick." — Melissa R.

OUR COACH

The girl's softball team had another prosperous year, finishing third in the district. With all nine starters returning, the Tigers are looking for a district title this season.

Coach Darrol Poston had a much larger group to work with this year, with eight returning veterans and eleven "rookies". The new year holds promise as the Lady Tigers should prove to be an all around strong team combining the enthusiasm and the potential of the rookies with the experience of the returning players.

1990 Varsity Girls Basketball

The 1990 edition of girl's basketball was one of several accomplishments. Being picked by many to win the BDD put extreme pressure on the team. After a slow start by losing 2 of 3 in a preseason tournament the Tigers got on track and won 18 of their next 21. Through out the season the Tigers were seldom at full strength due to injuries, but the depth proved valuable and resulted in the best season in recent memory (19-5). The Lady Tigers won the BDD regular season and then won the tournament with an exciting overtime win over Honaker. Highlights of the season were: 58-54 win over Grundy which at the time were ranked #2 in southwest Va, also an 81-66 win over J.I. Burton, a state record of 20 3pt. goals were made in the game, 10 for each team, and Michelle Fuller hit 46 3pt. goals which was a state record of 106 for her career. Amanda Counts went over 800 pts. and rebounding in her career, which should make the 1991 season exciting. After winning district the girls advanced to the Region D semi-finals for their third consecutive year.

Congratulations are due for 1990 and with 9 returning players, including 4 starters for the next season expectations are going to be even higher.

1990 J.V. Girls Basketball

The 1990 J.V. girls basketball team began the season with one goal in mind — to win the BDD championship. On November 10, 1990 they achieved that goal by defeating Garden 34-27 in the championship game. From the first day of practice until that final buzzer these 12 girls exhibited a great team attitude as well as desire and dedication. The qualities combined with their willingness to work extremely hard in practice helped these girls to make their dream become a reality. As a coach it was great experience to work with these girls and to see them become what they truly are — champions.

This year's J.V. Boys Basketball team has a good combination of size and speed, but is lacking in game experience. I'm confident that by playing tough defense and running an up-tempo style offense we can have a winning season. Our main objective this year will be to gain much needed game experience and develop into players that can contribute on the varsity level in years to come.

1990-91 J.V. Football . . . Over The Top!

The 1990 Haysi High J.V. Football Squad enjoyed a very successful season. The team's record was 7 wins and 1 loss. The full J.V. was 5 wins against no losses with the eighth grade squad posting 1 victory against one defeat. Included in the Junior Varsity totals were two wins against a very tough Hurley team as well as two victories over Garden's Junior Varsity. The Haysi J.V. was made up of members from the eighth and ninth grade classes. With a large group of eighth graders coming back, the Junior Varsity looks to continue laying the ground work for the strong football program here at Haysi High School.

A Message From The Queen

"I really couldn't begin to start to tell you how happy I was to be chosen Homecoming Queen. It was one of the happiest nights of my life and I would like to thank all the Varsity Football Players, especially the Seniors, for making it a night I'll never forget. Being chosen made me feel that I'm a very important person to my class, and I'm very proud to be able to represent the Senior class of 1991."

To Ms. Lester, the 1990 Homecoming Court owes many heartfelt thanks. Without her cool demeanor and encouraging words most of us would have went crazy with anticipation. She is truly an UNFORGETTABLE person and one to whom we own many thanks.

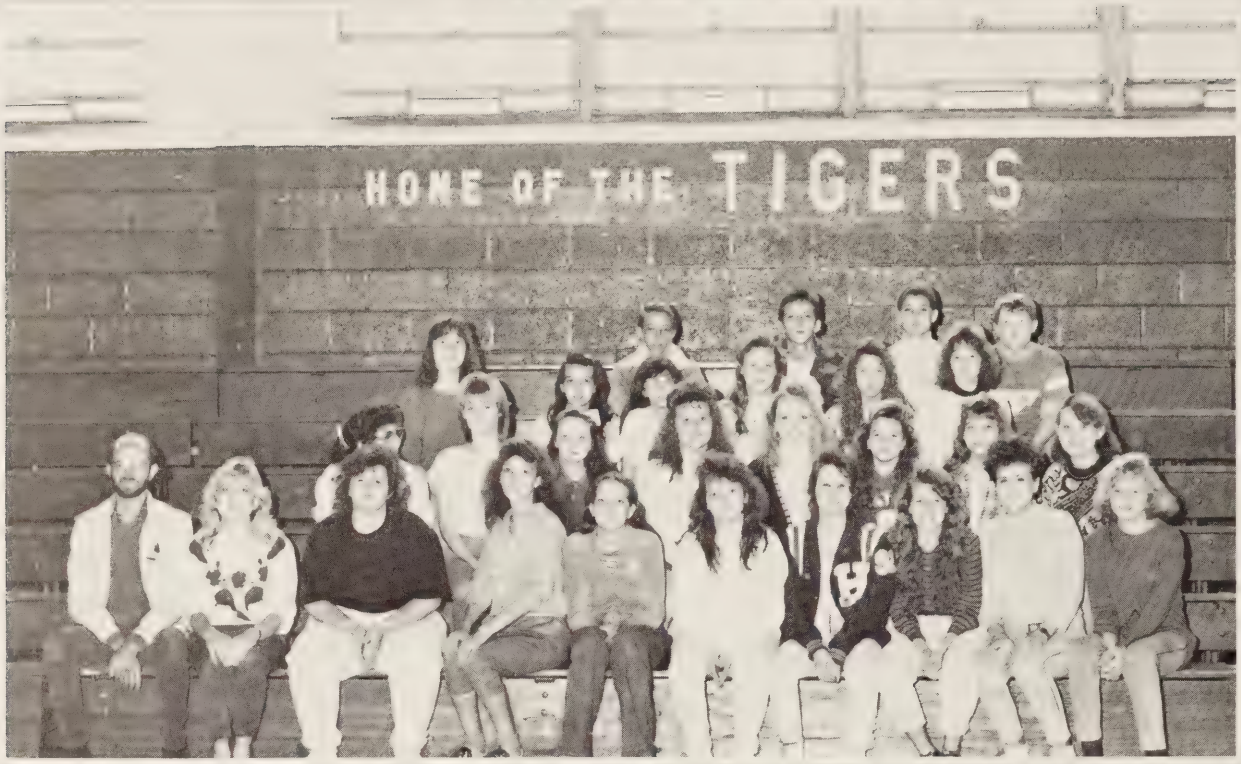
4-H & KVG



Officers of 1990-91 are: Kelly Edwards, President; Page Clay, Vice president; Mary Baker, Secretary.

4-H is a youth program for all boys and girls between the ages of 9 and 19. The major goal of this program is to help the youth grow into respectable citizens. They may compete in a variety of projects at county, district and state levels.

KVG is an organization of young men and women who in cooperation with county and state forestry departments help to prevent and control forest fires. They are on call in case of emergency twenty-four hours a day. Their services are very much needed by the community.

SGA

The Student Council of Haysi High School was re-established for the 1990-91 school year. It has been over ten years since Haysi High had a student council. The Student Council is composed of representatives from each grade level as well as representatives from each club and organization. The Student Council operates according to the guidelines in their constitution. Among purposes of the student council are: The promotion of more harmonious relationships throughout the school; improve school morale; provide a forum for student expression; and promote the general welfare of the school. The Student Council of 1990-91 is well on its way to laying the foundation for a strong and permanent student government at Haysi High.

Officers for 1990-91: Brian Baker, President; Chris Sutherland, Vice President; Chrissie Rice, Secretary; Kenneth Rose, Treasurer; Kyle Willis, Chaplin.

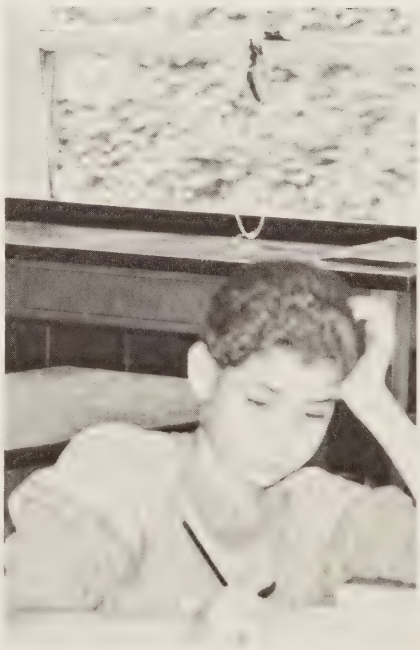
Gifted And Talented

It is the purpose of the Gifted Education Program of Haysi High School to provide, for those students who have been identified as gifted, independent enrichment instruction via special interest classes, individual projects, in-classroom enrichment, and independent study. Independent instruction and study under the supervision and guidance of qualifed personnel enables the student to explore the subject beyond the limits of the regular classroom. Independent instruction and study obligates the student to participate beyond the requirements of the regular classroom. Examples of such independent instruction and study include special projects, indepth study, critical analysis, and other enrichment exercises. Areas of study include social studies, science, mathematics, foreign language, speech, drama, journalism, literature, the English language, music, business, computer science, and virtually any special area in any field of study currently offered at Haysi High School.



1990-91 Electronic Classroom

The Electronic/Distance learning program refers to course instruction sent via satellite from a central location to students in other schools.

Students at Haysi receive instruction from Wise Vocational Technical Center. Four classes are available through this program — Latin I, Latin II, A.P. English, and A.P. Calculus. (Latin III will be added next year.) We currently have students enrolled in Latin I, Latin II, and A.P. Calculus. Students who choose to enroll in either of these four classes are screened by the Guidance Department. We currently have nine students in Latin I, Three in Latin II, and two in A.P. Calculus.

The students view the classes through the satellite hook-up in rooms 400 and 404. They communicate with their instructor in Wise and other classmates across the state (and in Latin I, in Tennessee, Alabama, and West Virginia) by telephone. They receive and send work through the mail and by FAX.

Mrs. Colley is the school's designated facilitator; that is, she acts as the liasion, sending and receiving materials and administering major tests.

This innovative learning system is very effective and increasingly popular. In the four years that Haysi has participated, our enrollment in EC/DLP has increased from three to fifteen.

By making available to students courses that financial considerations would otherwise preclude, this program has broadened the possibilities for students at Haysi.

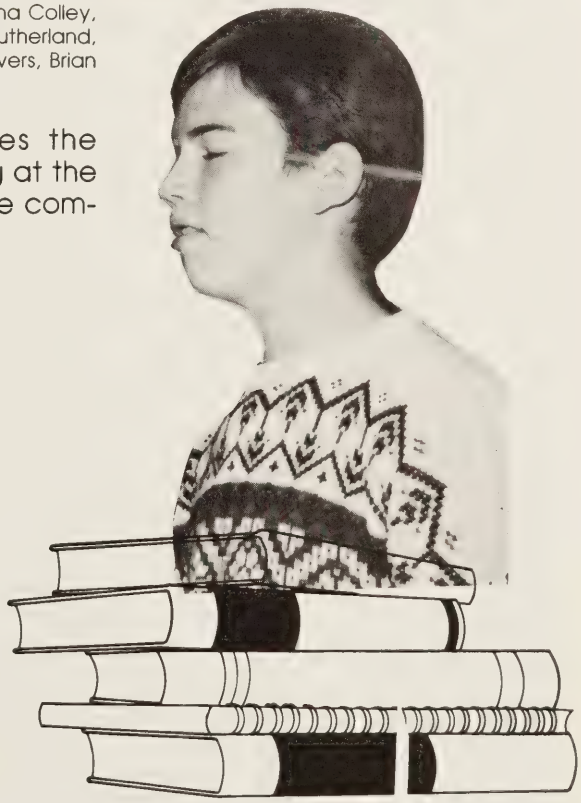
The forensic program at Haysi High School promotes literary readings as well as public speaking through the efforts of the English Department under the direction of Mrs. Debra Colley. The students compete at the school, district, regional, and state levels.

There are seven categories of competition: spelling; boys and girls prose reading; boys and girls poetry reading; boys and girls extemporaneous speaking; boys and girls original oratory; humorous dramatic interpreation; and serious dramatic interpretation.

An invitational competition was held at J.J. Kelly High School on December 15, 1990. Haysi High School's forensic team won first place and brought home the trophy. This exhilarating win is inspirational and elevates the team's hopes of excelling at the district, regional and state competition.



We all know the feeling John. Close your eyes, lower your head, pray, take a deep breath, open your mouth and . . .

Haysi Tiger

This year has been an exciting one for the Haysi High School Band. Combining a rapid moving drill with upbeat songs, the Marching Tigers entertained competition and football audiences everywhere they performed. Flag and rifle girls were back in the Marching Band. With the assistance of Lisa Delaney, this year's colorguard was one of the finest groups that Haysi has ever had. The flags received First Place trophies at the Wytheville and Wise Band Competitions. Cindy Owens, our very fine Drum Major, also won first place trophies at the Wytheville and Wise Band Competitions. The band returned to the State Band Competition in Roanoke giving their "Best Performance".

Concert band members also excelled this year. Flutist Kim Sullivan made the First Junior High Band at All District try-outs and also made 3rd alternate in the Senior High Band. Trumpetist Donnie Merritt made 4th alternate in the Senior High Band and is expected to return to the Morehead Honors Band. Cindy Owens made 2nd chair in the Top Senior High Band, making her Haysi's first flutist to be eligible for All-State Band.
